PRO-FACE

SICK

## We specialise in these brands

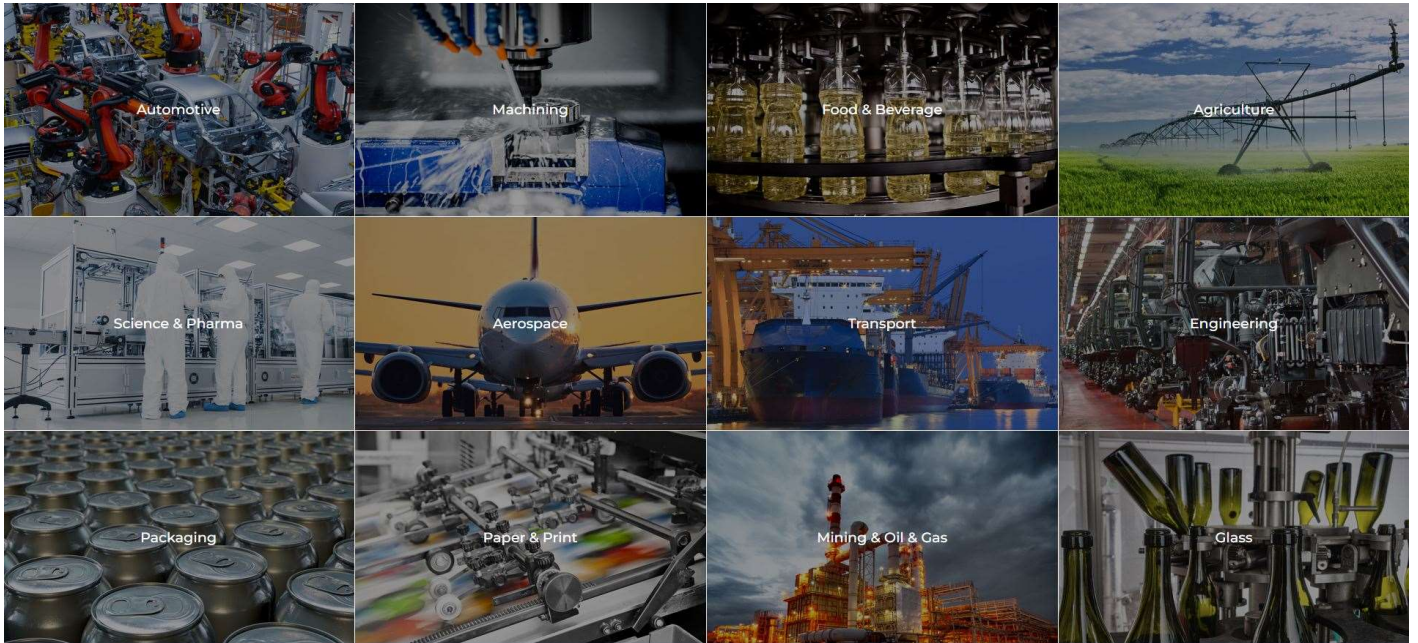

Do you need a part from a different manufacturer?  
We will try our best to get you parts from other brands too.

[Contact us](#)

## What is the life cycle phase of your technology?

We specialize in discontinued and end-of-life products. However, we also distribute current-line series from all major manufacturers of industrial electronics.

## WHO ARE OUR CUSTOMERS?

### What service are you interested in?

It's not necessary to purchase a new part in each instance. Buy from us a used or refurbished component and save money. Chose repair if time is not an issue and the price is a primary factor. A repair is usually the most economical solution however, not all products are repairable and it is a time-consuming solution. and A service exchange may be an alternative.
